STAINLESS STEEL POSTS
& Powder-Coated Mesh

ELIMINATE INSTALL HEADACHES AND DEADLINE DISASTERS

- ✗ Delays due to reliance on overseas supply chains
- ✗ Lost time & money due to substandard components
- ✗ Lack of support to sort issues
- ✗ Shortened court lifetime due to mild steel

LET US HELP YOU INSTALL MORE COURTS, FASTER

YOUR SOLUTION

- ✓ Designed & made in our Somerset factory = reliability
- ✓ UK based service and support = ready to help
- ✓ Stainless steel structures & robust coatings = long lasting performance outside
- ✓ Consistent lead times = meet deadlines
- ✓ Reduced transport cost and carbon footprint
- ✓ Heat soaked toughened glass & court carpet also available
